7. **PLAY SCHEDULE.** The League Director will email the Play Schedule with times and court assignments on the THURSDAY before the Monday League day of play. 8. **LEAGUE PLAY:**
  - a. **Sets will be 8 games (No-Add) with each of the other three players on your assigned court.** A Score sheet will be provided to record the number of games won for each player. Once play is complete, verify that the games won numbers are correct.
  - b. **The percentage of games won** (of 24 total) will be used to establish a "win percentage" for each player. Players will be ranked by their win percentage and then assigned courts based on that... so the players with the highest percentage will be on court #1, then court #2 and so on.
  - c. **When a player starts after the first week,** she will be placed at the bottom of the ranking. After the first week she will play on the appropriate court for her win percentage.
9. **NEW RATING/ CTC RULE:** If any player receives a **new rating before the first day of league play**, the player shall play in the league under their new rating. If the league has **begun play**, the CTC Board of Directors has ruled: "For league play, a new rating does not take effect until the next session but shall go into effect immediately for tournaments and socials."
10. **QUESTIONS, COMPLAINTS & SUGGESTIONS:** Contact the League Director, Kathy Sundsrud, at 480-788-7836 or [ksundsrud@gmail.com](mailto:ksundsrud@gmail.com). USTA rules and regulations will be considered in all decisions.
